This documentation must be received by October 15, 2024; otherwise the designated scholarship award will be awarded to new scholarship applicants.

The award will be paid directly to your institution in your name and can only be used for tuition, institutional fees, or books. Under no circumstances may the money go directly to you. The Stockton Rotary Club will request sufficient documentation from the educational institution to ensure that the funds have been appropriately used.

It is your responsibility to see that proper documentation, including your Student Identification Number, is submitted to the Scholarship Chair of Rotary Club Stockton in a timely manner. If the award is not given out due to a lack of documentation submission in a timely manner, the Rotary Club of Stockton reserves the right to award another student.

* In the event that the student attends a two-year community college, the award is for the cost of books, fees, and tuition up to the awarded amount and not the singular dollar amount as the community college charges may be less than the award.
